DR. N.S.A.M FIRST GRADE COLLEGE
BENGALURU-89

REPORT ON STUDENT AWARENESS PROGRAM "DRUG ABUSE PREVENTION".
SEPTEMBER 23, 2022

Dr NSAM First Grade College, was a organized student awareness program on drug abuse prevention on September 23rd , 2022 under the direction of Dr. Shanti iyer Principal, Convenor of the program Mr. Viswanatha SR. Assistant

professor Dept of commerce and management. Ms. Sushma ML PSI, Mr.Loka Reddy PSI and Mr. Hemanth PSI Yelahanka Newtown Police station had come as resource representatives to enlighten the student awareness program on Drug abuse prevention.. More than 120 students who participated and learned awareness about drug abuse prevention.

Resource persons have clarified that drug prevention programs are designed to provide the education and support necessary to reduce drug addiction in communities, colleges, and the workplace. Substance abuse prevention has become an important first step in educating specific individuals about the dangers of addiction, prevention techniques, and where to find recovery help if needed.

Students who have learned awareness about substance abuse prevention and resources people who have educated students about the effects of substance abuse.

**Feedback analysis on substance Abuse prevention student awareness program
 on 23-9-2-022**

Analysis of chart

This chart shows that the Ox axis contains the description of the program and the Oy axis contains the student responses. Students who provided their feedback on the Substance Abuse Prevention Program conducted on 23/11/2022. This chart clearly shows that the feedback from the majority of the students is good and excellent and very few students who indicated room for improvement, overall this analysis of results shows that the objective of the Drug Prevention Program has been successfully achieved.

**Field Visit
Report of the Event**

Name of the Organisation	Missionaries of Charity Home for the Sick and Dying Destitute
Date	6 th March 2023 10:00 am – 11:00 am
Day	Monday
Members Accompanied the students	Ms. Dionne Bose
Total No. of Participants	14
Target Class/ Course	BA 1st and 3 rd Semester students
Highlights of the Event	<p>The purpose of the Field Visit was to provide the students a chance to apply concepts of Psychology in a practical setting. Missionaries of Charity Home for the Sick and Dying Destitute in Venkatala Village, Yelahanka was started in 1970. The nuns selflessly look after people who are aged, disabled and/or psychiatric patients. The inmates are abandoned by their family and are destitute. The NGO houses 78 inmates. They receive:</p> <ul style="list-style-type: none"> *Assistance with Day-to-day living *Healthcare services *Safety *Regular meals *Specialised healthcare *Housekeeping services *Social engagement <p>The nuns look after babies abandoned in railway stations, bus stands and dust bins. They raise the babies and provide education so that they can become independent.</p> <p>The inmates who interacted with us welcomed us warmly. They are so full of life and faith even though they have been abandoned.</p> <p>The field visit helped the students to understand the psychological problems faced by the inmates and the care given to them. They learnt about Animal Assisted Therapy. In this kind of psychotherapy, the patients experience a change in their behaviour because of animals. Animals can help to reduce symptoms of anxiety, fear and worry. It also helps in bringing about a healthy blood pressure and hormone levels. It helps in social, emotional and cognitive functioning. It helps in reducing the symptoms of the inmates suffering from mental disorders. A small donation was made by collecting money from the faculty and students of Department of Arts. As part of community social service, we would like to contribute financially from the college as a whole in the future as well.</p>

Subject: Request for permission to take the 1st and 3rd Semester B.A. students on a field visit and to avail the college transport facility for the same.

Respected Sir,

A field visit has been organised by the Department of Arts for the students of the 1st and 3rd Semester Bachelor of Arts students to Missionaries of Charity Home for the Sick and Dying Destitute which is located in New Airport Road, Venkata Village, Yelahanka Post. Telephonic permission has been taken from the concerned person of this organisation and 6th March 2023, Monday has been chosen as the day for the field visit. The duration of the field visit will be from 10:00 am to 11:00 am. A letter requesting permission for the same will be given to the concerned person of Missionaries of Charity Home for the Sick and Dying Destitute on the day of the visit. The number of students who will be going for the field visit is 14. The students will be applying concepts they have learnt in Psychology in their interaction with the people being cared for by the nuns. I request your kind permission to go ahead with this field visit and to use the college transport facility for the same.

Yours Sincerely,

Dionne Bose

Sub: Requesting Permission for Field Visit of Students

Respected Sister

Greetings from Dr. N.S.A.M First Grade College!

This is with reference to the telephonic conversation Ms. Dionne Bose, Assistant Professor of Psychology and Coordinator of Field Visit, had with you.

We are an institution under the umbrella of Nitte Education Trust(R), Mangalore, pioneers in the field of education for the last forty years. Dr. N.S.A.M First Grade College affiliated to Bengaluru City University was established in the year 1999. The college offers B. Com, BA and BBA programs and strives to provide good quality education to the students.

It has been a constant endeavor of Dr. N.S.A.M. First Grade College to bridge the gap between academia & practical experience to exchange knowledge and ideas and in this light, the college organises visits to various places to give practical exposure to our students. For the same, we request you to permit us for a Field Visit to your esteemed organisation which will benefit our students on 6th March 2023. We would also like to donate a small amount to your organization to help in your services to the inmates. Kindly grant us permission to visit and accept our donation.

Expecting positive response from your end.

Industrial Visit Report of the Event

Name of the Industry	GKVK on the occasion of "Krishimela", Bengaluru
Date	09 November 2022
Day	Wednesday
Members Accompanied the students	Mr. Mohan ST , Asst. Professor of BCA
Total No. of Participants	40
Target Class/ Course	I BCA
Highlights of the Event	<p>A one day industrial visit on GKVK on the occasion of Krishimela was organized by the Department of Computer Applications of the college. The Industrial visit was conducted on 09.11.22 from 10.00 AM. The main agenda of industrial visit was to give ideological practice related to agriculture and to give information about implementation of recent technology in the field of agriculture.</p>

INDUSTRIAL VISIT REPORT

Date of visit : 04-11-2022

Place : GKV K KRISHI MELA (Vignana Kendra, Bengaluru)

An Industrial visit to GKV K KRISHI MELA (Gandhi Krishi Vigyana Kendra) was truly the best trip where we enjoyed and gained a lot of knowledge.

We students of BCA, BBA ,B.COM(BDA) of I'st year, all together left our respective classes by 10:35AM. Before that we were introduced to our new principal and we took a group photo before leaving and got on to the bus. We left the college campus by 10:51AM .We all were so excited , as this was our first trip to a Field Visit . As soon as we reached there, that is, by 11:30AM our faculty asked us to be in a group of two as the place was really crowded. We saw many pathways in which different types of agriculture were divided in different sector. It was a well organized and beautiful place.

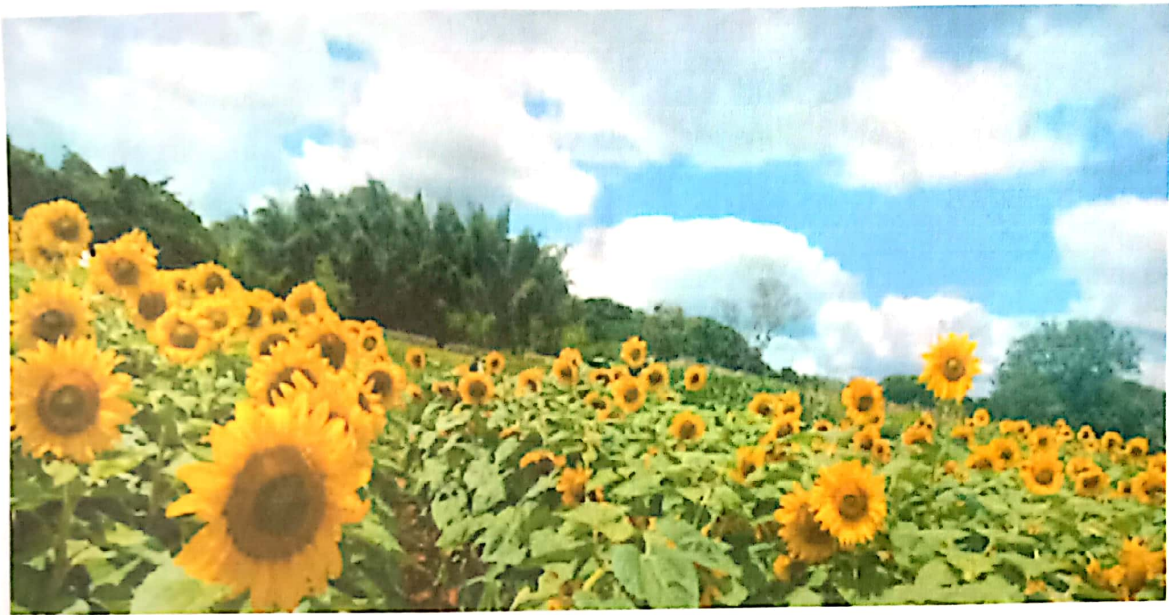

First we saw a board named 'Crop Mitigation' in which we went and saw different types of plants such as the chilli , flowers etc and also took few good pics. Then we went to a place which was similar to green houses where it was full of green plants such as spinach , lettuce, ginger and turmeric vertical farming etc. Later we saw the Banana Plantation, Papaya Plantation. Then in the other side of the field it was flowers with aromatic scents. It was flowers everywhere varieties of flowers, orchids and many more. This part of the fields was so beautiful that the place was covered with different types flowers especially the Sunflowers which were so big and tall.

In the other side of the field it was soil farming where there were ground nuts, chick pea, and many more. Then one of my favourite part was the pottery making which was one of the best part of my trip, then the poultry farm where there were lots of chicks , later we saw the silk worm lot more. Then we saw the best place that was the Food Court with mini stalls, were there were a lot of them , hopcoms with affordable price. By this time I was already noon so we decided to sit aside under the tree and had our lunch.

Once we entered inside the Krishi Mela we were completely lost as the place was quite large and crowded. The field was very large that we couldn't cover all the places in the given time. Though we couldn't cover all the places we still enjoyed this field trip.

By this time it was already 2'0PM , we left the place by 2:35PM and reached back the college campus around 3:15PM

Krishi mela was indeed a great place to visit and to acquire a lot of knowledge such as how our food crops are grown, tissue culture, poultry, farming, and other activities. and reached there by 11:30. I would absolutely love to go and visit there once again!

GKVK KRISHI MELA is the best place to visit especially for Nature Lovers! This was one of the best trip I ever had that can never be forgotten .

Industrial Visit Report

Date:05/11/2022

Place: Gkvk Krishimela 2022

We started our mini Trip from our college at approximately 10:30 am. We were introduced to our new Principal and took a group picture before leaving. We then sat in our bus. I was excited because this was something new to me, I had never experienced a field trip before. Me along with my classmates reached there and started to look around and gather some knowledge. we were asked to be in a group of 2.

We first saw a large pathway in between the agricultural plants. They were named as Drought Mitigation.

We then went to the other part of the field where there were vessels made by mud/clay (pottery), poultry farming of small chicks, solar pumps, Groundnut plant, Corn plants, Many fruit plants such as Banana, Papaya etc. We then saw a model of agriculture with many methods of irrigation etc. sunflower plants were grown, marigold plants.

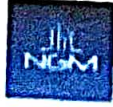

Then the most exciting part was the food court and stalls, there were Nandini ice cream stall, Amul ice cream stall, Hopcoms, corn stall, Sugarcane juice stall etc. We ate

ice cream and then searched a place for having lunch under a tree, we then left back to our bus and left the place by 2:45pm. Overall it was a very good experience and had lots of fun.
