Report of Helping Hands at Govt Higher Primary School, Singanayakanahalli Date: 22/2/22

The College Community Orientation Club in association with Dept of Commerce and Management and Dept of Languages & FC undertook an activity of teaching Mathematics & English at Govt. Higher Primary School at Yedyurappanagar, Singanayakanahalli from 4th to 12th Feb 2022 and 14th to 22nd Feb 2022 both Mathematics and English subjects respectively for 6th, 7th & 8th standards.

Before we embarked upon this extension activity of teaching, our students were trained by our teachers. The students enthusiastically engaged the students in Mathematics & English subjects for the above mentioned classes. Both Head Master and teachers and the students of the school were very happy to see the zeal of our students.

Before beginning the classes, our students conducted diagnostic test and after teaching them one more test was conducted to learn the outcome of the teaching to those students. We were satisfied with the results of our efforts. We also wanted to procure their final exams results to satisfy ourselves.

Through this outcome based activity we wanted to target the **cross cutting issues** like **gender equality** and **nation building** by selecting our students both men & women students here and also gave equal opportunity to the boys and girls of the school.

We thank our principal for giving us this opportunity to do yeomen service to the society. We also thank our teachers and the Head Master & the teachers of the Govt School for encouraging us and our students to undertake this activity. Ultimately we asked the opinion of our students who enjoyed in teaching the school students; they said that they owe much to the society and this is an opportunity for them to repay the debt to the society. To conclude, we believe in “ Sarve Jana Sukhino Bhavantu”

**Report on awareness program on Waste Segregation At Ghati Subramanya
Village**

The UNITED Alumni committee of the Dr N.S.A.M First Grade College, along with COC Committee SAHABALVE carried out an awareness program on Waste Segregation at Ghati Subramanya village Dodaballapura taluk Bangalore rural district on 19th March, 2022.

The primary aim for this activity was to ensure that the residents of village got some knowledge about the way how waste generated by them is assorted properly in such ways that does not damage the environment.

The committee members presented the idea of proper waste segregation and disposal system. The committee members immediately related to the topic and gave the team permission to set all the necessary items to initiate the process.

This step, though small and limited to one area and locality of the village, has influenced nearly 96 households to organize and dispose their waste in an orderly manner and help in saving the environment from the harm of un-segregated waste turning toxic.

Report on E – SHRAM CARD campaign at Myalapanahalli village

The UNITED Alumni committee of the college along with COC Committee SAHABALVE, in Collaboration with Singanayakanahalli Gram panchyath organized the awareness and E – SHRAM CARD campaign among the villagers and unorganised sector workers at Myalapanahalli village. The Volunteers facilitated the spot free registration of unorganised sector workers in the village workers including outskirts of the village.

On 24th Feb 2022, an E – SHRAM CARD campaign was organised at Samudaya bhavana at Myalapanahalli village

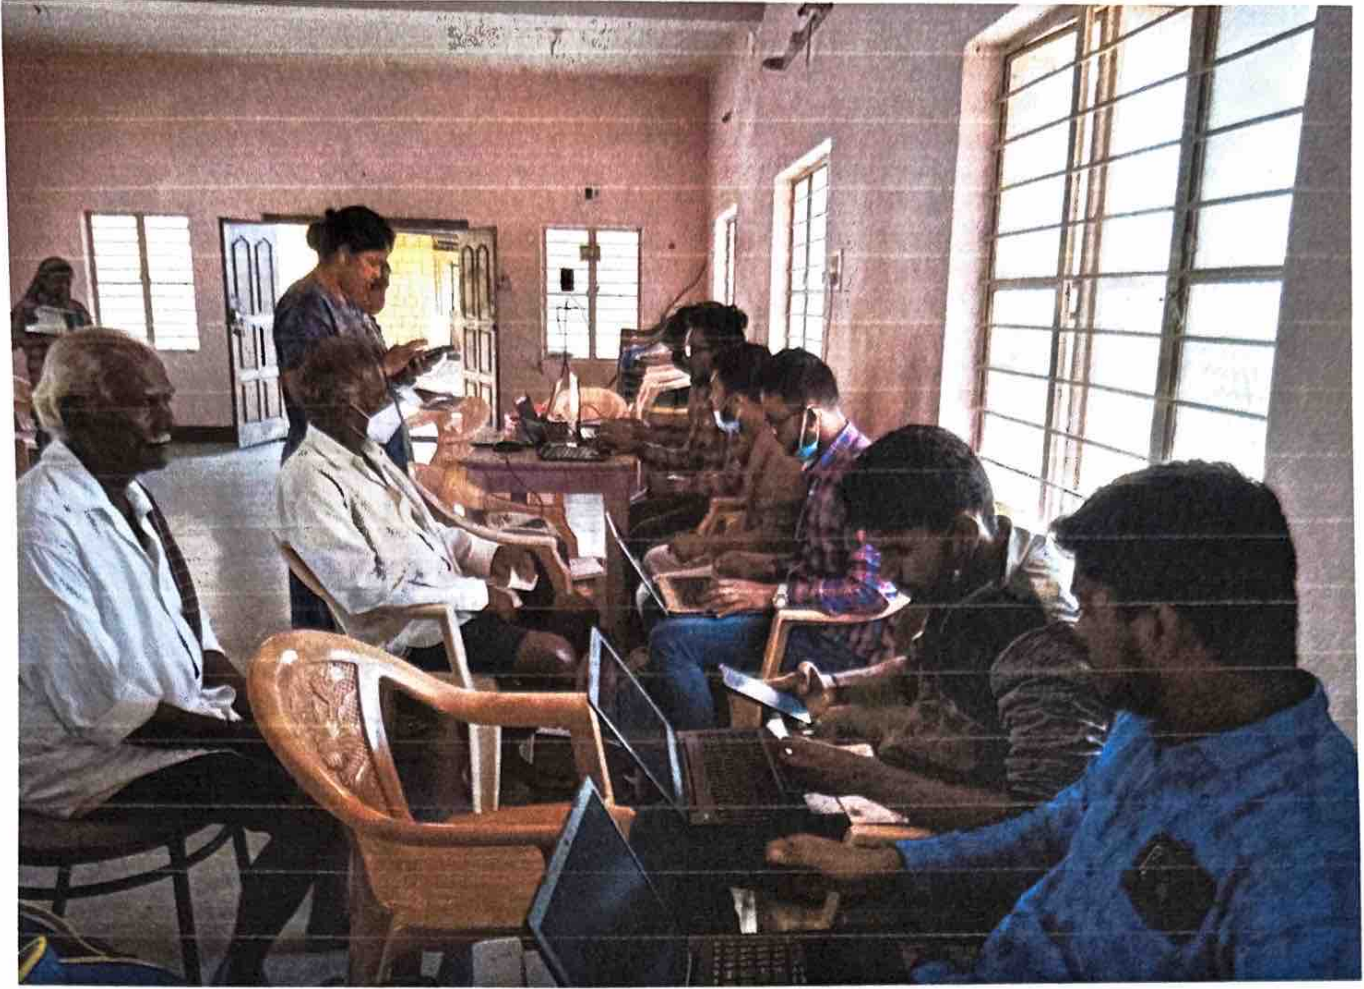

The benefits of getting registered under e-Shram portal and the e-Shram card, eligibility criteria for registration, required documents for the registration, etc, were shared with workers. The campaign team addressed the queries of people. Workers were excited about the campaign and registration, as the team provided for on-the spot free-of- cost registration, which otherwise amounts to not less than Rs 250 at various centres doing registration.

On the request of the villagers and Zilla panchyath member the Campaign was extended on 27th Feb 2022 Sunday. Totally around 150 E – SHRAM Cards are done through this campaign among the villagers.

The e-Shram portal provides all the registered workers an e-Shram card containing a 12-digit UAN (Universal Account Number), and they can access benefits of government schemes even if they are working outside the state. E-Shram portal is indeed a significant step towards registering unorganised workers including construction labourers, migrant workers, street vendors and domestic workers, gig and platform workers, etc.

The initiative is considered as a major effort on the part of the government to recognise more than 40 core unorganised sector workers in the country and also the event was appreciated by PDO of Singanayakanahalli Gram panchyath. Program went on well we thank the gram panchyath officials and our principal for providing this opportunity to do their yeomen service.

Report on visit at Jnahavahini Swashaya Kendra

The Sahabalve a Community Oriented Club in association with Kala Koushalaya visited Jnahavahini Swashaya Kendra Doddaballapur a special residential school for intellectually challenged children on 05 January 2021. As part of 'Joy of Giving campaign', students distributed the toys, Stationary items, waterbottles and goodies to the little ones which they have collected.

The happiness in those children bought a very good feeling in all the students who visited the Jnahavahini Swashaya Kendra. The visit and the interaction with those children made most of the students think how lucky each and every person in there. This thinking was due to the comforts which each and everyone got and those comforts which was forbidden to those innocent children. Students have spent some time with playing showing games and the cultural programmes made the students interact better with all the children. These programmes were being enjoyed to the core by the children which was evident from their enthusiasm and their involvement in the programme.

Report on Road Safety Awareness

Road safety is one of the major concerns of the 21st century. We have seen many videos of accidents or sometimes we would have seen them with our own eyes. According to the statistics of road accidents in India, nearly 4 to 5 lakhs accidents occur every year, in those accidents more than 1 lakh people die every year.

In order to address this concern about road safety, the Community Orientation Club in association with YRCS conducted an awareness program on 23rd December 2021. There are 30 NSAM students of BBA went on a rally to spread awareness about road safety with the help of the Rajunkunte Police Station. The rally took place in Rajunkunte circle. We started our rally from Rajunkunte Police Station the upto Rajunkunte circle. We insisted everyone present there to wear their helmets and seat belts people who were driving; we insisted them to wear their masks. We even enacted few road safety awareness acts like wearing helmets and not to encourage triple ride on bikes and to take care of their long dresses, that is, their veils or sarees.

Road safety is very important nowadays as there has been very high increase in vehicles on road and it becomes crucial that we follow the traffic rules and laws and save ourselves and our families from road accidents. Therefore, spreading awareness about road safety can make everyone's journey safe.

Report on “ A Selfie with Sapling Campaign”

The NSS volunteers had participated with great zeal and enthusiasm to observe the “World Environment Day” on 5th June, 2021.

The staff and NSS students of various classes planted saplings in the garden of their surroundings to raise awareness and consciousness about environment among the masses. Tree plantation is not just something that should be done instead it is a necessity the urgent need of the hour. Planting of trees is especially important to protect our environment against air pollution and global warming. The drive was a enormous success, empowering students with substantial knowledge of environment and plants.

Principal advice to volunteers to think differently for the Society to make positive changes and to make improvement, besides participants were highly excited to make it a big success. The students planted saplings, and fenced them and watered the plants. The program created a great stir among the general public too. The students were sent their selfie picture to the NSS officer.

All were happy and experience proud after the sapling event was finished, because it really feels great to do positive for the nature.

Report on "Saplings Distribution"

NSS unit had conducted "Saplings Distribution" on 04/06/2022 in view of "World Environment Day" around 52 volunteers had participated from final year B.Com and BBA course.

We started planting saplings in the garden of our college campus and after that, saplings distribution in the nearby Bylakere local areas of our college. Volunteers also made some posters and banners on the importance of tree plantations. We pasted banners and posters in the area around of the village. So that people read these and know the importance of tree plantation.

The students also distributed saplings to passers-by, other officials and farmers and spread the message about the importance of planting more trees and protection of the existing trees. The Principal of our College Dr. Shanthi Iyer gave a passionate speech on the topic of Environment Day.

Report

NSS unit organized "Seed Ball Campaign" on 13/11/2021 at in and around of MyllapannahalliLingarajapuraforestarea.NSS volunteers had tried creating seed balls in a simple way mixed coco peat and organic manure. We find this method suitable for our cause when we throw those seed balls in the empty field these seed balls open up very easily when it rains. Nearly 580 seed balls made by volunteers.Around 41 NSS volunteers of I semester B.Comp participated in the activity.

Report on “Free Eye Checkup Camp” activity

NSS unit had conducted “Free Eye Checkup Camp” in association with Lions Club Vijaynagar Bangalore at Government High School, Rajanukunte on 22/03/2022.

The main objective of the Eye checkup camp is to check on eye disorders, their early detection and to detect refractive errors and eye ailments among the students.

A team of Eye specialists from Lions Eye Care Centre came to do eye checkup for the students from classes Eight to Tenth and the camp was beneficial for the students as they got an opportunity to know more about various aspects of eye care. The doctors brought well-equipped eye examination advanced equipment’s to test the students effectively. They also spoke to the students about how to increase awareness and improve access to eye care services.

During the eye check-up, NSS volunteers were guided properly on where to go for registration, vision check-up, getting the registration process and giving details for data entry. Overall, the volunteers were very enthusiastic on their role. Around 114 students eye checkup was done.
